**PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED
APPLICATION UNDER 37 CFR 1.137(b)**

This is a petition to revive an unintentionally abandoned application under 37 CFR 1.137(b) for failure of Applicant to file a timely reply to a February 9, 2007 Office action. Applicant states that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

In reply to the February 9, 2007 Office action, Applicant has filed a Request for Continued Examination (RCE) seeking entry of a June 28, 2006 amendment, a copy of which is included therewith, which the Office stated in the February 9, 2007 Office action it would not enter because prosecution is closed and the proposed amendment was not suggested in an explicit statement by the Board under 37 CFR 41.50(c).

In light of the foregoing, Applicant asks the Office to revive the subject application, enter the noted amendment, and allow all of the claims. Please apply any charges that might be due, including the petition and RCE fees under 37 CFR 1.17(m) and 1.17(e), respectively, to deposit account 14-0225.
